Dubuque Fairgrounds Speedway Drivers,

We need your help! We would like your driver profile information on as many drivers as possible. We plan on using the information for our announcers at the races and we would also like to supply the information to the TH for articles in the newspaper. Possibly feature our drivers on our social media page as well. Please help us promote the excitement of stockcar racing and its drivers Any and all information you can supply will be greatly appreciated. Please fill out as much of the information below and email to [kkotz@dbqfair.com](mailto:kkotz@dbqfair.com) or bring it with you to your first night of racing with us, if you do not have the means of printing this page out, feel free to handwrite on any paper or send the info over in an email. Thank you for putting on a great show at the Dubuque Fairgrounds Speedway!

We hope to see you all at the races, here at the Dubuque Fairgrounds Speedway, starting Sunday, April 25th!
